

Bear River Comprehensive Management Plan

You Are Invited: To attend a public meeting to learn about the Bear River Comprehensive Management Plan and offer your input.

The Division of Forestry, Fire and State Lands (FFSL) will be presenting information on the Bear River Comprehensive Plan at public open house meetings during the month of June. These meetings will provide you with an opportunity to speak to the Project Manager, ask questions and submit suggestions.

Additional project information is available at: www.bearrivercmp.com
