I (we) hereby register intent, pursuant to Title 65A and Division rule, to conduct bioprospecting activities on state land in the locations described below, during the following one-year period of July 1, 20____ to June 30, 20____.

County	Point of access to state land or name of body of water	GPS Coordinates*

(Attach additional sheets if necessary)

Detailed description of material and/or information to be collected or studied, and your intended purpose. (Attach additional sheets if necessary.)

I acknowledge that I am collecting material and/or information from state land. I acknowledge that the State of Utah is entitled to receive appropriate value for the resources on state lands, should any economic value be derived from (1) the act of bioprospecting, (2) a microorganism, plant or fungus removed from sovereign land, and/or (3) information concerning the microorganism's, plant's or fungus' physical or genetic properties. I agree to negotiate in good faith with the State if the State asserts an economic interest in my activities under this registration.

*Registrant's are required to record GPS coordinates of the sites where samples are gathered and provide those coordinates to the Division and include those coordinates in any publications resulting from the bio-prospecting.

A person who engages in an act of bioprospecting in violation of Utah State Code 65A-14 is guilty of criminal trespass punishable in accordance with Section 76-6-206.

**THIS FORM DOES NOT CONSTITUTE RIGHT TO ACCESS PROPERTY
YOU MUST OBTAIN PERMISSION FROM LAND OWNER**
